EMCEI

1–3 SEPT. 2027

BARCELONA, SPAIN

The Official EMCEI's Journal

"Submission deadline 30 June 2027"

Dear colleagues,

In partnership with the editorial office of the Euro-Mediterranean Journal for Environmental Integration (EMJEI, co-published by Springer and the University of Sfax, Tunisia), we organize the 9th EMCEI at the University of Barcelona (Spain). The 9th EMCEI is organized in collaboration with other universities in the Euro-Mediterranean region.

The proceedings will be published in the Springer ASTI Book Series (indexed in Scopus and SCImago) and extended papers will be published in Special Issues of EMJEI and other journals (indexed in Scopus and Web of Science) published by Springer Nature, Elsevier, MDPI, and other publishers.

Visit our website (2027.emcei.net) to learn more about the event.

On this occasion, we are pleased to invite you to take part in the conference (in person or virtually) and share/discuss your latest research findings.

EMCEI -27 Keypoints:

- The EMCEI is the largest conference covering all themes of environmental sciences and engineering in the Euro-Mediterranean region (500-600 in-person and online attendees from over 80 countries).
- The EMCEI's objective is to help societies in the region achieve a sustainable environment by promoting and disseminating research that addresses the most pressing environmental concerns.
- The EMCEI-27 will take place on 1–3 September 2027 in Barcelona, Spain.
- The conference aims to gather new research contributions from all disciplines of environmental sciences by scientists from diverse backgrounds, and thus makes an essential contribution towards ensuring that science and knowledge contribute to the promotion of a more sustainable environment.
- The main objectives of the conference are to support research and innovation, promote the exchange of scientific knowledge, and foster collaboration between Euro-Mediterranean communities and their counterparts around the world.
- The EMCEI-27 encourages submissions of research works not only from the Euro-Mediterranean realm but from all regions of the world.
- It will go ahead in person but there will be a possibility to present online.
- It will feature talks and panels on new indicators and directions in research, development and innovations in the multidisciplinary fields of the environmental sciences.
- Read on the website our Publication Plan and discover our Social Program.
